STUDENT ACTIVITIES

ACU Masters

2024 – 2025

HR & PR

ACU

Helped many students during their first years of college by providing guidance and support. Achieved strong student engagement, improved internal and external communication, established numerous collaborations with companies to provide training opportunities for students, and strengthened relationships with industry partners.

ACHIEVEMENTS

ACU Masters

Recognized as the **Best Member of December** for outstanding contributions. Organized numerous events and workshops, invited distinguished speakers to deliver educational sessions, and secured one of the organization's largest partnership agreements with an educational company.
